

Business model:

Our profits → from advertising on each sites.

Each ad starting from 250 USD/month + 0,05USD per click.

In the future we plan to have 100,000 users in the first six months and then 500,000 users 12 months after the launch of the website.

Charity → money from our portal, all of the users' payments going to our pocet and then to charity organisatoin user chooses.

Average profits like 1500USD / month (fixed profits) + clicked profits.

The prices will be rising depending on the amount of the users.
