

Take a Seat

01 Jane and Kishore arrive at the market and see the new Take as Seat signage...

02 Take a Seat offers: Trolley Park/Bag Safe, Toilets and Seating

03 There's a rough layout of the market and where the services are located.

04 There are markers/lines on the floor to lead them around the market.

Live Experience Prototype Scenario 2

05 They follow the line/markers

06 They feel happy they know where they are going...

07 They find the toilets and think they'd like to stop for a coffee...

08 ...but they have too many bags.

09 They find the lockers and leave their bags...

10 Jane gets a key fob and puts it in her bag

11 Jane and Kishore are able to have some quality time, rest and have a cup of coffee. Something they rarely find time or a opportunity to do in the market.

12 Kishore thinks... I wonder if the bags will be safe... Jane is worried.

13 The security cameras spot the bags being stolen.

14 The thief makes a swift get away.

15 Kishore and Jane return to find the bags stolen.
